Dear Scott ,
First congratulations on your Senate confirmation as Administrator of the EPA. Scott this is important . You will face the same thing I faced while serving a President , significant hostility from the bureaucracy . I was ready to quit after two months at the Department of Commerce . But a senior beaurcrat ,Louis Santone saw some hope in me. He taught me things that are in no book. I ended up staying and being awarded the Secretary of Commerce's medal. It was really owed to Mr.Santone, which I said at the awards Ceremony .

I would like to assist you.I am out of the County right now , but can receive e mail. back in the office Tuesday . (b) (6)

Hope you will take up this offer ☺ , your friend , Victor
